

How to find your Computer Name / Asset Tag # on a Macintosh.

Article Number: 5 | Last Updated: Thu, Dec 25, 2014 at 9:26 AM

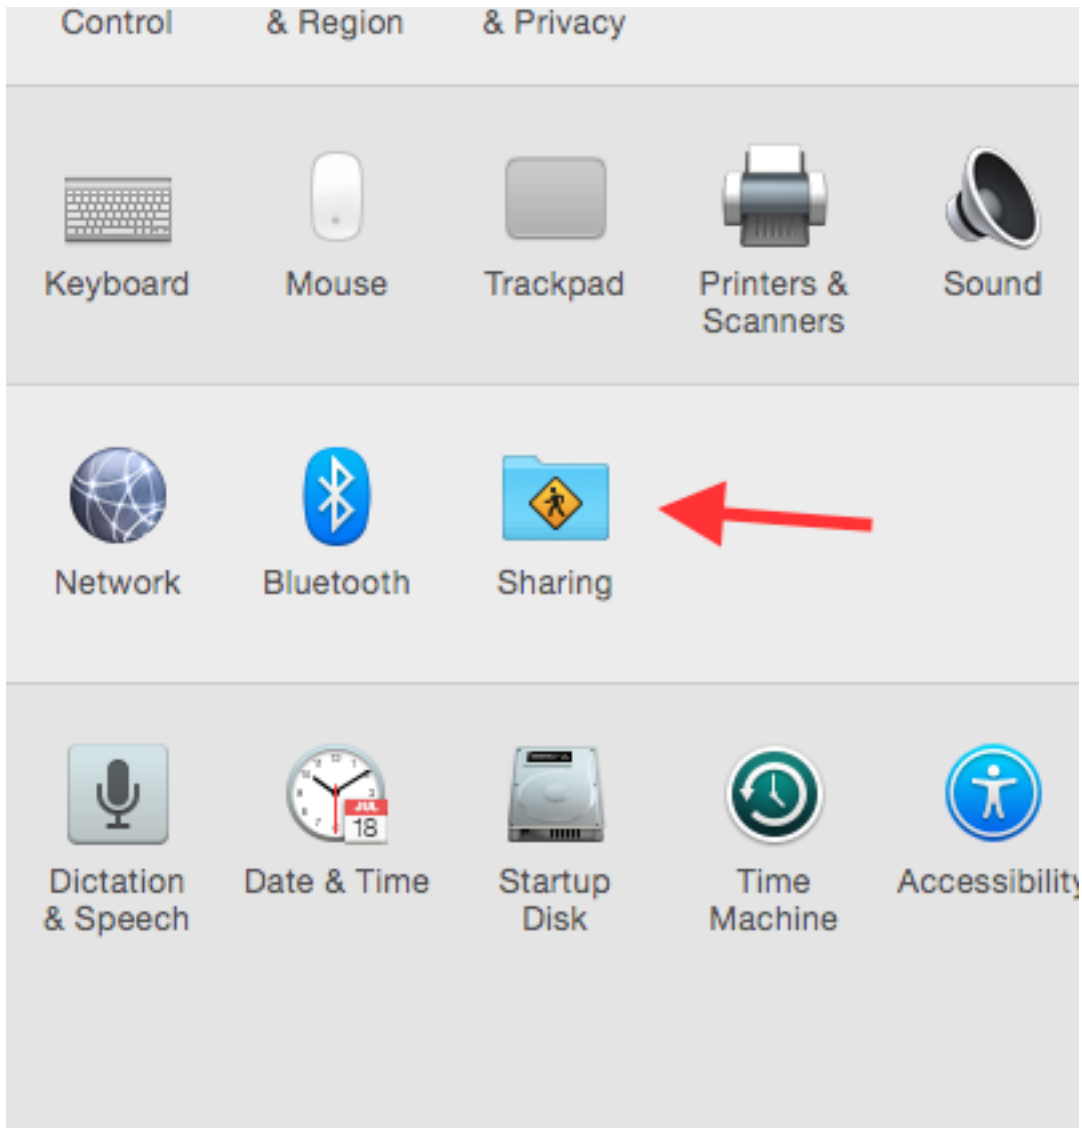

Your computer Name / Asset Tag Number should be located on the Asset Sticker on the lower right side of your keyboard on your laptop OR on the top of the case of a Desktop unit.

If there is no Asset sticker, please follow these steps to find your Computer name/ Asset ID.

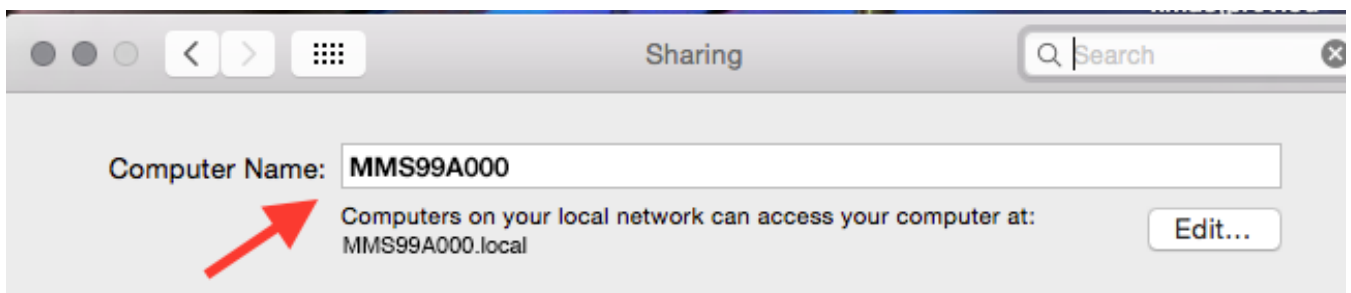

1. Click the Apple Menu and choose System Preferences.

2. Click Sharing

3. Here you will find your Computer Name.
